Philanthropy in Our Lives

The word philanthropy is a beautiful word that comes from two Greek words: philia, which means love, and anthropos, which means human being.

Therefore, philanthropy doesn't merely express doing good or offering charity; in a deeper sense it really means to love your fellow man, and to love him in the way that God loves humanity.

This is why this appellation is so often applied to God Himself in our liturgical hymns and spiritual writings: God is O Philanthropos, the lover of humanity, and **we who are named Christians, through our philanthropic acts, are to imitate Christ's graciousness, benevolence, compassion, and love towards all people.**

November 1 brings to mind two great philanthropists: Saints Cosmas and Damian. These brothers from the third century were trained in the medical arts and were also devout Christians.

They used their gifts and the divine grace imparted to them to heal people of both their physical and spiritual maladies, never accepting money for their services. This is why they earned the name, anargyroi, that is, unmercenaries, or literally, ones who do not take payment.

APOSTLE ANDREW - November 30

Holy Apostle Andrew the First-Called (the first disciple of Christ) ordained Saint Stachys, the first Bishop of Byzantium (later, Constantinople), who was one of the Seventy Apostles.

The Holy Apostles, or "fishers of men" *(Matthew 4:19)*, and all the Saints after them burned with love for Christ and devoted their lives to Him. Saint Andrew traveled as far as Asia Minor, Thrace, and Macedonia.

In each city that the Apostle preached, the pagans beat him and cast him out. Yet, he continued to preach the Word of God with courage.

As Saint Silouan the Athonite says, "when Saint Andrew was threatened with death upon the cross if he did not stop his preaching, he answered: 'If I feared the cross I should not be preaching the Cross.'"

Apostle Andrew was crucified on wood in the shape of an "X" because he did not consider himself worthy to be crucified on the same kind of cross as Christ.

While it was not the intention, "X" does happen to be the first letter of "Christ" in Greek: Χριστός, and "X" has become the symbol of this Apostle.

Pieces of the wooden "X" reside in Saint Andrew's Church in Patra, Greece, which is the spot where Apostle Andrew was crucified.

Next to this Church, there is a water spring (Greek: αγίασμα), and it is said that this is where Apostle Andrew took his last breath in 66 A.D.

Apostle Andrew is the patron saint of the Ecumenical Patriarchate of Constantinople, where today His All-Holiness Ecumenical Patriarch Bartholomew is the 270th descendent from Apostle Andrew.

FEED THE HUNGRY

On October 6 our Philoptochos volunteers, Maria Patt, Vicki Diamantos, Teri Kafkas, Julie Backas, Rene Wonais, Sophia Pappas, Faye Adams & Sundy Urban, made 150 sack lunches to "Feed the Hungry" at Annunciation Cathedral.

Paul & Julie Backas went to Annunciation to hand out the lunches to the homeless.

The Holy Apostles Philoptochos is committed to this initiative 3 times a year.

Philanthropy *(continued)*

It is no wonder then that the Philoptochos Society has these saints as their patrons, for the word philoptochos means love of the poor.

This blessed organization (the largest Christian charitable women's organization in the world) indeed expresses the unconditional and selfless love of God through its many, many good works, never expecting or taking anything in return except the inner experience of heavenly joy that comes from serving those in need in the spirit of Christian philanthropy.

We are blessed here at Holy Apostles to have the Philoptochos, which serves so many of our fellow human beings in so many different ways.

We are **also blessed as a holy community to possess the general Christian virtue of philanthropy,** supporting many organizations and efforts through every member's loving contribution, whether it be through one's time, talent, or treasure.

The Church is to be "a light to the world" *(Matthew 5:14)*, radiating the truth and love of Christ everywhere.

Let us keep that fire bright through our continued philanthropy and through all of our parishioners' greater involvement in all of our ministries. The opportunities to serve and to do good in Christ's Name are ample!

With love in Christ,

+ Fr. George

NATIVITY FAST

NOVEMBER 15 - DECEMBER 24

During the Nativity Fast or Advent, which is the 40 days from November 15 until Christmas, the Church encourages us to intensify our spiritual lives in order to ready our souls and bodies for the Feast of Christ's First Coming.

We do this through fasting, prayer, almsgiving, Holy Confession, and increased attention given to "preparing for His coming", to make sure we've done what we can to make a "fit dwelling place for Him" in our hearts and lives.

During this sacred period of preparation, the Divine Liturgy is offered every day.

Please take advantage of the increased amount of services to sanctify your souls and to also make sure to go to Holy Confession.

Your priests are always available to hear confessions, which is not an optional Sacrament, but necessary, for through Confession we receive God's mercy and forgiving grace.

STEWARDSHIP SUNDAY - NOV. 22

"Each of you should give what you have decided in your heart to give, not reluctantly or under compulsion, for God loves a cheerful giver."

— Corinthians 9:7

PARISH COUNCIL MEETING HIGHLIGHTS

HIGHLIGHTS OF THE SEPTEMBER 17 PARISH COUNCIL MEETING

PC SECRETARY: PATTY PAPPAS EDITED BY: VAL DRANIAS

President James Maragos called the meeting to order at 7:36 PM. Father George Dokos offered the opening prayer. Mike Parafink led the recitation of the Holy Apostles Mission Statement.

"The mission of the Holy Apostles Greek Orthodox Church is to proclaim and live our Orthodox faith as One Church and One Body of Christ through worship, ministries, education, and youth guidance. For we walk by faith, not by sight *(II Corinthians 5:7)*."

Steven Milak moved to approve the August 20, 2026 Parish Council Meeting Minutes. Bill Leider seconded the motion. Motion carried unanimously. Sandra Pihos moved to approve the August 30, 2026 Parish Council Special Meeting Minutes. Bill Leider seconded the motion. Motion carried unanimously.

Correspondence: Patty Pappas - Patty reported on the Correspondence received. Lurie Children's Hospital sent a letter thanking the Parish Family Ministry for providing care packets to patients. Hodges Loizzi provided a billing summary of pro bono legal services by Attorney Vanessa Clohessy. The Greek Orthodox Archdiocese of America confirmed that Holy Apostles is included in its Group Exemption and is exempt from federal income taxes. An invitation was received for the 75th Anniversary Gala of Holy Taxiarhai and Saint Haralambos Greek Orthodox Church on October 18, 2026, at Concorde Banquets.

Father George distributed "The Cross," a handout about Russian dissident Aleksander Solzhenitsyn and his experience with the Cross in Soviet labor camps. Council members read excerpts and participated in a brief discussion.

Ministry Reports

Financial – Report by George Antonopoulos: August typically results in a loss; however, the parish recorded a $77,000 surplus. Stewardship was ahead by $99,000. The Finance Committee will review the results next week. The operating account increased from $943,000 at the beginning of the year to $1,020,000 at the end of August. The capital account increased from $556,000 at the beginning of the year to $602,000 at the end of August. Sandra Pihos moved to enter Executive Session. Michael Parafink seconded the motion. The motion carried unanimously. The Parish Council entered Executive Session.

The Parish Council subsequently concluded Executive Session and resumed regular session.

Stewardship – Report by Steven Milak: Stewardship collections are approximately $100,000 higher than last year. Year-end results will clarify how much remains after operating expenses and can support capital needs. The median pledge is $700. Members emphasized the need for substantially higher pledges. Stewardship Month will proceed in November as planned, concurrent with the ongoing capital campaign.

The Winkler Group's capital campaign will focus on capital projects, while the annual stewardship appeal will continue to support parish operations. Members discussed increasing pledges and reaching non-stewards. The number of pledges is the second lowest in nine years. Father George sends quarterly letters to those without a pledge or payment, reviewing three years of records. Expanding that review to seven years was suggested.

Metric	2026 Total	2025 Totl	% Change
Number of Pledges	624	635	-2%
Total Pledged	$913,947	$810,812	+13%
Amount Collected	$806,871	$713,341	+13%
Median Pledge	$700	$600	+17%
Average Pledge	$1,465	$1,277	+15%

Building & Grounds – Report by Chris Pepke/Norman Pomrening: Hill Mechanical inspected the HVAC system and found the Multipurpose Room (MPR) return blower malfunctioning. It was shut off. Estimated repair and replacement costs are $10,000 and $25,000, respectively. Both air-conditioning units serving the church nave and MPR also failed today. Steve Savas was asked to arrange a follow-up evaluation by Hill Mechanical.

The Building & Grounds Committee is preparing a five-year capital needs list, categorized by health and safety, functionality, aesthetics, and other priorities. The list and supporting photographs will inform the capital campaign and donor discussions. Council members were encouraged to become familiar with it.

An outside general contracting/consulting firm is advising on capital priorities. The reserve study will guide the list of future needs. Members discussed informing parishioners of capital needs through the website, printed materials, posters, and conversations. The roof was cited as an example: although perceived as relatively new, it has approximately 14 years remaining of its 22-year lifespan. Replacement is projected to cost $1.1 million with inflation. Current reserves are insufficient for such future expenses.

Ushering – Report by Ted Dres: Ted Dres will provide a printed ushering schedule on Sunday. With several ushers traveling, he reminded Council members to attend Sunday services. Father Nicholas reminded ushers to remain quiet and reverent during Holy Communion and avoid conversations with parishioners. Ushers should respect personal space and offer physical assistance when needed or requested.

Technology - Report by Steven Milak: Heavy computer use in the youth office has created a need for an additional computer and printing access for teachers. Steven Milak moved to allocate $1,300 for the purchase of a computer for the youth office for use by our youth ministries. Seconded by Sandra Pihos. The motion was unanimously approved. The $1,300 shall come out of the $10,000 technology grant previously received. Outsource Solutions, the parish technology vendor, was suggested to assess the remaining useful life of existing computers.

Old Business

Fundraising Committee – Report by James Maragos: James Maragos and Sandra Pihos will meet with the Winkler Group on Wednesday to negotiate revised terms for the Phases II and III consulting agreement. The goal is to finalize the contract promptly and begin the next phase, including individual donor meetings.

Members emphasized keeping parishioners informed of campaign progress and responding to questions as the next phase approaches. Findings from the Phase I feasibility study will be shared with parishioners. The Winkler Group offered to present briefly at the Parish Assembly and answer questions.

Hellenic Academy – Report by Nicole Ostendorf: Sandra Pihos moved to enter Executive Session. Steven Milak seconded the motion. The motion carried unanimously. The Parish Council entered Executive Session to discuss Hellenic Academy staffing matters. The Parish Council subsequently concluded Executive Session and resumed regular session.

Golf Outing – Report by James Maragos: The Golf Outing generated a profit of approximately $28,000. The event continues to be a significant and consistent source of fundraising revenue for the parish.

Youth Worker Protection & Sexual Harassment Prevention Training – Report by Patty Pappas: Many youth programs and volunteer activities paused over the summer. Regular youth programming has resumed with the new school year. Some volunteers' required compliance training expired during the summer. Andrea San Luis is contacting volunteers to renew their compliance. Ministry leaders were reminded that volunteers may not work with children until fully compliant with Archdiocesan youth safety requirements.

New Business

Parish Council Candidates for 2027-2028 – Report by Sandra Pihos: An announcement seeking candidates for the Parish Council will be published in the weekly church bulletin. The Parish Assembly will elect the Board of Elections and Board of Auditors. Candidates with accounting experience will be sought for the latter. Peter Bell volunteered to recruit Parish Council candidates. An announcement will also appear in the Mosaic.

Chicago Bears Watch and Fall Festival - Report by Lou Kafkes: A seven-member volunteer committee is planning the October 4 Chicago Bears Watch Party and Fall Festival, rain or shine. Children's activities will include crafts, cornhole, Connect Four, Bozo buckets, and a fall-themed photo area. Games will be outdoors if weather permits. Organizers are contacting the fire department about displaying a fire truck or ambulance for Fire Prevention Month.

Adults will watch the game indoors. Food will be provided by Joey's Red Hots and the Little Red Donut Truck. The parish will guarantee food minimums totaling up to $1,000. Motion by George Antonopoulos to sign contracts for deposits on two food trucks, guaranteeing the food minimum totaling $1,000 for the Fall Festival. Seconded by Nicole Ostendorf. Motion passed by majority, with one nay. Drinks: It will be BYOB, if anyone chooses to bring alcohol.

Hellenic College/Holy Cross Fundraiser - Report by Fr. George: The annual Hellenic College/Holy Cross fundraiser will be held November 5 at Empress Banquets to support scholarships for Metropolis of Chicago seminarians. Holy Apostles has purchased a table at this fundraiser in prior years. Motion by Steven Milak to spend $1,250 to purchase a table for the Hellenic College/Holy Cross fundraiser. Seconded by Patty Pappas. The Motion passed by unanimous vote.

(continued, pg. 10)

Old Business

Ministry Fair - Report by Sandra Pihos: Members noted that the event differed from the traditional Ministry Fair. The event primarily helped parishioners set up the church app, and printed instructions were available. Additionally, ministry booklets were made available for distribution. Several ministry leaders, primarily from youth ministries, would have preferred tables to engage families. Sandra Pihos will discuss a hybrid Ministry Fair format with Andrea San Luis. Members recommended earlier promotion and microphone announcements at future fairs.
